End Human Trafficking

ABOUT US

Our mission at ICT SOS is to end human trafficking through prevention and awareness education, advocacy for survivors, and acting as a bridge between direct service professionals and community members who desire to help.

ICT SOS envisions a community free of human trafficking.

Our small but mighty team is driven by a deep passion for serving others. With dedication and heart, we work tirelessly to meet the needs of our community and advance our mission to end human trafficking.

CELEBRATING 15 YEARS OF IMPACT

What began 15 years ago as a grassroots group meeting in a local coffee shop has grown into a powerful movement for change in our community. ICT SOS has evolved from those early conversations into a leading nonprofit organization working to end human trafficking through prevention education, survivor advocacy, and community engagement.

Today, our team includes full-time staff and multiple interns each year. We deliver age-appropriate prevention curricula to middle and high schools and provide specialized training to law enforcement, medical professionals, churches, foster families, and more.

In 2020, we launched our Advocacy Services Program to provide direct, trauma-informed support to adult survivors of trafficking and exploitation. Since then, the program has grown significantly in both reach and demand. The need continues to increase as more survivors come forward seeking safe, supportive services—proof that our work is more critical than ever.

As we prepare to celebrate our 15th anniversary in March 2026, we invite you to reflect with us on the impact of the past decade and a half—and to envision what's possible in the years ahead. This milestone gala is more than a celebration; it's a call to action to help us continue lighting the way toward lasting change.

ICT SOS acts as a bridge between the professionals serving trafficked youth and adults and the passionate volunteers and donors who want to be part of the solution. ICT SOS is a 501(c)(3) nonprofit organization. Your donation is tax-deductible minus the fair market value of any goods or services received, such as event tickets.

Join us as we honor our history and light the path forward—for survivors, for our community, and for a future free from trafficking.
